Description

The large inner compartment provides vast amounts of space and is suitable to hold equipment such as a fire emergency mask, a compact PPE-kit for technical assistance operations, fire hose carrying equipment or similar items.

Thanks to its detachable and infinitely adjustable carrying strap the holster is universally applicable and the vario double-loop straps allow for the attachment to a firefighter belt, belt of a SCBA or the KOMBI Rope Bag.

Marking area on the interior cover allows for permanent labeling.

Features:

- sufficient space for a fire emergency mask
- marking area for individual labeling
- reflective stripes for additional safety (height: 50mm)
- detachable & infinitely adjustable carrying strap (length: 140cm)
- Vario double-loop straps with hook-and-loop fastener
- fabric loop at rear

Scope of delivery

Holster, carrying strap; without further or pictured supplies
