

QuickFix® UNO Plaster Dispenser

QuickFix® UNO

A small and modern plaster dispenser in a unique design.

Developed to combine workplace safety with a modern style. Perfect for offices, restaurants, educational institutions etc. The dispenser contains a refill with 45 comfortable QuickFix® Elastic plasters that allow the skin to breathe. Each plaster is individually wrapped and is ready to use by pulling it from the dispenser, which gives quick and easy help.

QuickFix® UNO is available with a glossy white or with a transparent cover. It can either be screwed to the wall or fixed with adhesive strips.

*Take the plaster from the dispenser.
It is ready for use...*

... and can be applied by using only one hand.
