- ✓ comfortable to wear: padded back
- ✓ easy to grasp: cover flap in contrasting color

PARA Holster: rear view

PARA Holster: use case

PARA Holster: front view

Description

This convincing holster provides you with the extended equipment on duty. Nitrile gloves are immediately at hand yet safely stored (e.g. by zipper). The exterior pocket provides space for a radio receiver or other small items.

Multi-tool compartment with hook-and-loop fastener and three more compartments in two layers provide sufficient space for medical instruments.

Two exterior elastic loops – for penlight, wooden wedges or else – complete this well-designed holster. Holster can be attached horizontally or vertically to belt or TEE-UU BLACK and QUICK Paramedic Belt.

Features:

- 1 pocket e.g. for multi tool or rescue knife with hook-and-loop strap
- 3 further compartments
- 1 front pocket with cover flap
- 1 GLOVE-FIX system
- abrasion proof 2-way belt-loop

Scope of delivery

Holster without further or pictured supplies
