

REWIND Key Holder

Self-retracting key holder with secure steel rope for use at TEE-UU paramedic belts

- ✓ comfortable usage: keys are always immediately at hands
- ✓ stable: for up to 10 keys or approx. 130 g
- ✓ great range: thanks to 60 cm long and plastic-coated steel rope

use case:
REWIND attached to BLACK Paramedic Belt

use case:
REWIND with keys

REWIND key holder

Description

REWIND is the perfect add-on for any TEE-UU Paramedic Belt that ensures that you keys are safely stored and at same time always immediately at hand.

The self-retracting key holder is equipped with 60 cm long and plastic coated steel rope. Plastic coating of steel rope. Approx. 130 g traction of REWIND is suitable for about 10 keys.

Reliable mounting to TEE-UU Paramedic Belts with twofold hook-and-loop fastener provides firm hold of the holster and prevents against shifting. Fixation with additional BELT KEEPERS is not necessary.

25 mm wide, robust key ring at the end of the steel rope allows for mounting of keys etc. to the key holder.

Features:

- self-retracting steel rope (60 cm), plastic coated
- key ring (diameter: 25 mm)
- robust hook-and-loop fastener for secure hold at all TEE-UU Paramedic Belts

Scope of delivery

Belt holster with self-retracting key holder and key ring;
without further or pictured supplies
