Tariff:	30059010
Weight:	20g
Dimensions:	N/A
Shelf life:	N/A

NORSE RESCUE® Cohesive Bandage is an airy bandage with a double adhesive effect, so the bandage sticks to itself and not to the skin. This ensures a fast and easy applying on the patient with no need for closure hooks.

The NORSE RESCUE® Cohesive Bandage is for fixation bandaging, retention of wound dressings and light compression support.
