Little Family QCPR

Your CPR training just got more engaging

Empower your learners with the skills and confidence they need to feel prepared to save a life. Little Family QCPR consists of an adult, child, and infant manikin for training age-specific CPR procedures.

Built on a tried and tested product platform, Little Family QCPR adds new technology to the mix, which provides an immediate boost in engagement and skills acquisition. With quality CPR integrated in all three manikins, instructors can now provide objective feedback to each learner – ensuring both classroom efficiency and quality training.

Feedback Options

QCPR Instructor App

Real-time objective feedback on CPR performance

- Connects to 1-6 manikin(s)
- Shows live and summative feedback of CPR performance
- Provides suggestions for improvement, post-session
- Results are saved in the app
