| Shelf life: | N/A |

The NORSE RESCUE Combat Tape, Flat Packed, is a multipurpose industrial grade adhesive solution designed for outdoor and adventure IFAKs, as well as vacuum-sealed kits where a full roll of tape is unnecessary. Each kit contains six 2" x 15" strips with easy peel-off backing, offering strong and stable adhesion to various surfaces. Lightly vacuum-sealed for compact storage without compromising flexibility, the tape is packaged in a clear resealable poly bag for convenience. Ideal for emergency and tactical applications, it ensures secure adhesion in critical situations while maintaining a compact footprint in medical kits. Latex Free.
